Here are my notes. I've tried calling everyone to discuss but no answer and no call back.

TDR Trucking has never worked for LSJ in the past.  
TDR was found through Glidden  
TDR Employee told Troy that I was one of the Managers on LSJ  
Troy told me that Glidden is in Hawaii and he still have our blocks in his yard  
Anna told Troy please don't kill us with the price. Ill figure something out asap  
TDR is 2x more expensive than the truckers we've used in the past.

I was told that I'm the Hold up of TDR check. Our old Truckers charged by the job and the new truckers are charging by the hour so Please call me with any questions or concerns regarding TDR

I would like to request a conference call with all.  
I'm aware of an issue about TDR Storage and Blocks.

Troy spoke with Michael Glidden about everything. Troy seen me in the Laundry mat on st. Thomas and reminded me about blocks in his yard. I'm available for any questions.

Troy has been dealing with Michael Glidden with all his transactions. I begged Troy to give us a discount when I found out
