Mr Epstein,

I sent an email from my phone 35 minutes ago but it does not look like it has gone through to you yet. Yes the color is midnight blue (I checked all the bags upon arrival and just double checked again). The pool still has to be acid washed and that will bring out the specs of the darker color. Then the pool will be power washed and sealed. This is on the schedule for tomorrow as long as the rain holds off. The color you see now is not the finished color. Do you want me to proceed?

Very Respectfully,

Kyle
