Called pharmacy. Insurance covers only 3 pills, but Dr ordered 30. If Dr would call insurance company all might be covered, medication requires pre authorization. For now pharmacy billed balance of \$300 after insurance payment. I requested invoice and Michael from the pharmacy promised to email.

Thank you,

Bella

Dear Rich,

The place I am in that we got off air B and B is not up to the standards represented and I will not let them take this money from JE unless they move me to an apartment that is. The flat has a very strong smell of mold. Even if I sleep with the windows open I can still smell it in the morning. They stated that all apartments are up to the same modern standards. This apartment is filthy and not up to any modern standards. I am going down to their office now. Just wanted to give you a heads up that they will either have to move me or they had better reimburse you. I will send you the photos I have taken.

Thank you,
