Rich
attached for your reference, photos of both bikes and mule (trades)

Bikes purchase 2007 for JEE, then passed down onto ranch fleet
Mule purchase 2012, 1189 hrs

one bike does not run, the other just runs
Mule, as stated has become a maintenance nightmare.

any concerns let me know

Brice,

Please find included the quotes reflecting the most current changes. The changes include going from a 2017 Mule Pro FX EPS in blue to a 2019 Mule Pro FX EPS in Green. The changes also include going from 2018 Outlanders to 2019s and changing the XMR to a Max Limited in Green. The Max Limited comes with tons of features standard and is an awesome machine.

Let me know if you have any questions or anything I can do for you.

Talk to you soon!
