Had a great time with the girls - [REDACTED], [REDACTED], and [REDACTED] were following me and I kept telling them how beautiful there Mom looked and what an amazing event she had put together. Have a funny story about Benjamin too, reconnected with the NETGEN group. Most people looked like bank employees and were pretty old (dressed as if they had just got out of office), will see what happens at the lunch..

Have new contacts from Daniel - will try to meet today. Also skyping one of my favorite new candidates today
