I spoke with Darren Rothel, I'm sure you remember his skill level? One of the few pilots I'd trust my family to fly with, that includes you.

Darren just got bought out of his business he started, he owed 8 agriculture spraying helicopters and 2 agriculture spraying planes.,

He bought a big house on Wellington Air park that has a private runway in West Palm Beach,

He owes a Cirrus Plane and Partners in a Bell 407 helicoter in his hanger at his house.

He's G550 rated as well as Bell 430., Just needs current school.,

I'll speak with him this week, he's interest in flying with us.,

He's married now, and has a daughter, which I hope calmed him down.

If we could get him 5 to 7 days a month ,, would be a good option for us I think.

If you agree?

Amazing Pilot, and better personality than Chip by far.

Just a thought?

Thx

Larry
