Here is Wendy response to the Quotes for the items you mentioned:
Gear is Due overhaul 2024 \$1M

Hi Larry,

I am copying Zaher Deir on this as he is on site at Comlux. Let's see if Comlux will give us a quote for the Fans 1A and CPDLC. They are apparently very lightly staffed and have been slow to respond.

Gear will be due in 2024.

I got a bunch of repaint quotes for the Google 767 . I'll pull them out this afternoon and try to do a relative cost analysis.

I would not feel comfortable throwing out a figure for the refurb because it could vary so many millions based on what Mr. Epstein selected. I would not do it at Comlux as we have found them extremely expensive. I'll see if I can come up with some suggestions stateside.

I'm submitting another bid to Gary for the GIV this morning. Do you have a recommendation for a paint shop? International Jet doesn't do paint do they? Lars wants new carpet, so if he wants to go to them for the veneer, hopefully the carpet could be replaced at the same time.

BTW I've fried my phone have a new one coming in the next few days, but have limited access to texts now. Email is best. If I'm out of the office , Stacey can read them to me.

Kind regards
