Brice,

Please find included the quotes reflecting the most current changes. The changes include going from a 2017 Mule Pro FX EPS in blue to a 2019 Mule Pro FX EPS in Green. The changes also include going from 2018 Outlanders to 2019s and changing the XMR to a Max Limited in Green. The Max Limited comes with tons of features standard and is an awesome machine.

Let me know if you have any questions or anything I can do for you.

Talk to you soon!
