Thanks.. I was going to contact you today about this very issue.. namely a lawyer. I want a lawyer but not Justin.. Ideas? Can we talk?. (I was daydreaming while working out about cross examining people :)) Re personal conduct that makes it difficult for me to fulfill my duties.. I would argue that none of the conduct described in the allegations relate to fulfilling my duties as a professor or teacher.. but anyway..

can you file a grievance now? i re read the rules . it is clear that you can be dismissed for personal conduct. that makes it difficult for you to fulfill your duties. Separate from harrasment etc. . you will need a lawyer . ! if only to send a message .
