Good afternoon Richard,

Please review attached Estimate and design for the extra garage cabinets. Please do not hesitate in contacting me if you have further questions or any changes.

Quality and Service is Guaranteed

With Tailored Living, you're assured of getting the highest quality custom cabinetry solutions for closets, garages, pantries, entry ways, home offices and more. Our designers and installers are trained professionals who take pride in giving you the best service possible from exacting measurement and creative design to final installation and clean up.

Don't take chances with your home, Tailored Living professionals will turn your dreams into reality with the best storage solutions and designs that are built to last.

### **Truly Custom Design Solutions**

- Our designers take the time to get to know you by listening carefully to your dreams, needs and preferences for your family.
- We offer the best garage storage as well as solutions for closets or any other area of your home and are custom-tailored to your specifications, including materials, styles, finishes, accessories and hardware.
- Detailed measurements ensure that our storage systems and quality custom cabinets will fit, regardless of challenges like tight spaces, angled walls or ceilings and uneven floors.
- With Divinit<sup>Y</sup>, our proprietary 3D design software, you can see what your rooms will look like so there are no surprises.

### **High Quality Products and Materials**

- Cabinet and closet construction panels are moisture resistant, guaranteed not to peel at the edges, whether a laminate finish, wood veneer or Italia glazed finish.
- Our PremierOne<sup>®</sup> hybrid polymer garage floor coatings are industrial-grade and twice as hard as traditional epoxy floor finishes. Moisture and spill resistant, the finishes will not chip, crack or fade.
- Our specialty line of eco-friendly sustainable materials, UltraBlend<sup>™</sup>, is certified as an Environmentally Preferable Product by Scientific Certification Systems.
- We install genuine Murphy Beds with patented steel frames and technologically advanced hardware for worry-free operation.

### **Installations are Done by Trained Professionals**

- Every installer is a trained, professional employee of Tailored Living; no sub-contractor installers.
- Our installers will remove any existing systems and make sure the walls and floor are ready for the new system installation.
- A complete inspection is done upon completion to ensure that you are completely satisfied with the project.
- The area will be clean and immediately usable before our installers leave.

### **Customer Service** We don't disappear once the job is completed; we're your neighborhood expert!

- Each independently owned and operated franchise location stands behind their work.
- If you have any problems or questions, help is just a phone call away.

Our commitment to quality, value and customer service makes Tailored Living the best choice for all your home storage and organizational needs.

Again, I extend my best regards and appreciation to you for choosing Premier Garage/Tailored Living and look forward to be working with you.

Have a great day,

Vanessa Barragan
