Wendy called,

She informs she did receive an LOI with a Low Ball offer,

It appears it's not the Saudi buyer, since she mentioned she expects that soon,,

When I ask her how much the offer was,,

She first said, Earlier this year, she received a \$19M offer that she indicated was not countered,, that was when her asking price was \$28M

Only a guess, that must have been Sheldon Adelson (The Sands) hotel offer, that Walked away from the deal.

The current offer is Below \$19M she said,, but wouldn't disclose the number,, she also said the current LOI has many stipulations that she thinks will not be acceptable to the buyer,, Should would tell me details.

She also Mentioned, if a price is agreed-upon, that a demo flight/mission trip would be possible for you,,

She still says, the bottoms line price is \$21M or very close to that number depending on the conditions of the Purchase agreement.

Thx

Larry
