Carlos,

Thank you for getting back to me and thank your principal for his offer.

After some deep thought and discussion with the owners, they regretfully have to refuse your offer of Fifty US dollars 😊

Wishing you the very best of luck to find that special boat to fulfil your requirements at your budget level!

Warm regards,

Hi Carlos!

Trust it all went well and you got all the information you need for now.

Should your principal want to move forward with an offer, survey and a sea trial, I have attached our Agreement for you and him to look through.

Let me know how else I can help!

Warm regards,
