attached is Jeffers revised bid for 3" concrete in the amount of 712,586 net of 114k credit. bid includes all aggregate base and 32 swales (\$46,336)
both jeffers and jay do not recommend 3" concrete as they state all sidewalks are 4" and if a tractor were to go on 3" it will be ruined immediately..

jay revised bid for 3 miles should be ready by friday..

attached is what jeffers bid from (not sure total length and if 3 miles is under or overstated..)
jeffers and jay will both need 30 days to mobilize
please advise
thank you
