Sir, I called to the school today again. And I received this follow up from them:

Dear [REDACTED],

As promised I did follow up for you, as you only applied for the visa on 27/08 we are yet to have any update(s). I would suggest you contact the embassy and see if you can obtain an update regarding your visa as I know you are eager to hear of news. That said, you are allowed to arrive on campus a little later given your situation, having spoken to Management they have allowed a buffer of 2 weeks and so one would like to think you'll have news of your visa before then.

Ms. Riana Pizzi being your Educational Counsellor, you can contact Ms. Pizzi if you have any further questions.

I apologise for not having more positive news for you just yet but encourage you to remain hopeful and stay patient. On our side, we'll check again first thing Monday morning.
