Hi Lesley,

At last we will come to NY on September 18 early morning and stay till September 23.
We will come again on October 10 till October 20.

Will Jeffrey be in NY? There is a possibility that Ehud will come to Miami on the weekend of September 28 till September 30 from Cambridge, in case Jeffrey won't be in NY but in Miami and or Cambridge (Cambridge from September 23 till October 10 with a jump to Miami for the weekend).

Hope you are well and had some vacation while we were absent 😊. I miss NY.

best
Nili
