Hi,

Please find attached a quote for Baldwin bronze hardware for 12 Lakeshore trim/ levers/mortise boxes and screws for 2 ¼" thick doors. This would come from the factory complete, allow 5-6 weeks.

Thank you,

Good morning Fran,

We only need privacy no passage anymore. 10 right handed and two left full sets, handles, plates, hardware etc. Sorry for the delay I had to double check the existing hardware this morning.

Kyle

| Hi Daphne & Kyle,

The list below has the Lakeshore trim for privacy function with the parts for that. You also have listed some parts for passage function, but no Lakeshore trim nor levers for those. Do you need the levers and escutcheons for 12 passage sets?

In inquiry to Baldwin vendor the Lakeshore trim is very low inventory, 0-5 quantity on these items. The Baldwin factory orders are running 5 weeks, perhaps the whole order should come from the factory complete. Also the lock case is handed—Right or Left.

Please respond to advise on exact needs. And if some specific items would be needed immediately and I can ask about those.

Thank you,

Fran Loranger
