Jeffrey - one more cool person is in New York on Sept 5th-11th. He's a founder of cloud business phone company [REDACTED] and a CTO of 2K+ people debt service company. He's a nomad and been leaving in a new country every month over the last two and half years while having two important leadership roles. Super nice, very clear, fast, positive and smart, speaks a few languages.

I think you'll enjoy knowing him. Tell me if you want an intro.
