Just look in the mirror and ask yourself,
"Why would I build a house on top of an active volcano?"

"Why would I waist the next, and most productive 20 years of my life building another enormous compound, only to drain my precious energy on a swamp."

For a very smart Jew, it's pretty clear to cut bait and run. xoxo Peg

I am at the Sunset Tower in L.A. and as much as I like owners Jeff Klein and his bf John Goldwyn...I am done staying at this run down flea bag. Guess I am headed back to the BHH...don't know where else.

What exactly to you mean "island gone"?

It sank? All the buildings blew away? Didn't you have stone buildings?

Is it "gone" like Key West and Aruba? A pile of rubble? Do you have storm insurance? Can you rebuild? Do you buy another island?

Are you in NYC? I am going to the Emmy's tonight and back in NYC Monday...going directly to the American Theater Wing 100 Anniversary Gala from the plane. Do business with a lot of theater people who do films.

Would love to come visit you this week at the house. Got half an hour?

Very sad about the island. A total wash out. That must be a 50-100 million dollar loss.
Why does you cell phone not work. Send a new number. Peggy

I am in L.A. for Grammy Weekend.

Since we do so much TV business...HBO, Amazon, Netflix, FX...etc. I come out to network and go to the Emmys.

Back Monday afternoon.

Where are you. Did Andres send you invites. Not sure what we have this week. We had 4 or 5 last week.

How is your island? Still there?

xoxo Peggy
