Salam cousin brother

I saw him prior his departure he looks and feels sick and he confided this to me being old friend -
Now it may be possible that he forms a presidential council from five or three him presiding and a different deputy then ((general Ali Mohsen))who is an Islamist party - the new deputy can also become the Prime Minister- He invites general alali Mohsen to the state and advise him there of the changes,and you people keep the General with you untill plan in implemented -
The three or five members of the council general can be a member ,others two from sanna chosen by me one from hadramout total five -
See if your thick head Americans likes it
