Subject: addendum to yesterday's memo: New Evidence that ASU did not sponsor Australian Skeptics Convention

Please find attached an addendum to yesterday's memo that provided new evidence relevant to the OEI determination regarding the allegation associated with the Australian Skeptics Convention. This addendum provides new evidence that substantiates the fact that ASU did not support travel related to the event. This is in response to information in the Oct 6, 2017 Memorandum from Carla Manke regarding this allegation, which I just received yesterday.
