Nancy and I reworked this a bit to clarify it. This is what is going to Carla, Provost, Dean, Prudhomme, Clarke.. I.e. the same group that received the OEI report in the first place.. I am going to send my email of yesterday to the people I didn't cc yesterday as well.

In preparing the second memo to Carla I just discovered EMAIL proof that the travel from Canberra to Melbourne had nothing to do with the Skeptics Convention. According to the Organizer of the Skeptics Convention:

"We have always assumed that your return flights Melbourne to Canberra would be paid for by you as they have no relation to the Convention."

Here is the memo I will send later today. It conclusively proves that ASU did not support the Convention, which was not an ASU sponsored event.
