Mr Epstein,

Got a verbal of 750-1100 a cubic yard, But he said it depends on the job and size I don't think they are used to pricing this way by all of the questions I've gotten the last two days from them. Here is his number for Expert Builders 3402270484 - Elderfield is his name.

Mr Epstein,

Have sent a few emails request the yard price from eb but haven't received it yet, cell service is on and off today with the storms.
