The aircraft is located at 2910 south high school road.

Power is available on the aircraft and work is continuing to finish the aircraft.

If I may ask is this a progress visit, listing visit? Just as long as everyone realizes the aircraft is not in a condition for final photos, ops checks or any operational tests.

Regards, Brad

Subject: Re: BBJ Visit

Dear Chuck,

The completion building is where their offices are, they will issue your passes there.

Last time I visited the aircraft it was in the other hanger.

The contact people at Comlux

Call Brad he will arrange the passes for you

Brad Hall, he is our aircraft project manager  
Project manager

Also you can contact Frank Delage
