Jeffrey,

Are you available to go over a couple of items with me tomorrow morning?

1. The headliner / upper valence wool (Holland & Sherry) came in from the flameproofer on Friday and it "turned" a tinge yellow. I do not like it. We are looking to see what Loro Piana has. If they have a nice wool that is very close to the Holland and Sherry, can I go ahead and order it or do you need to see if first?
2. Review stitch detail on the new divan arm rests (*I believe it should match the top stitch on the single chairs*)
3. Review foam and welting detail on the divan cushions.
4. Discuss curtain / carry on bulkhead partition idea
5. Discussion about sub-woofer installed in forward arm rest?...

Thank you.

Best Regards,

Eric
