Mike,

Please correct the heading for us, showing USVI and St thomas, not BVI. Thank you! And it looks great!

I'm working on a preliminary design for your building we discussed.

Pricing won't be ready until after the new year, but I want to make sure what I'm working on is what you have in mind.

All the best,

 Allied Steel Buildings

Hey Mike,

I do not have elevations here. I am thinking the building will be around 22-25' tall to include the office sections in each shop. The potential site will be graded to keep the whole building level with no changes in foundation elevations. Lets do 2 pm if that works with you, I am on STT time if you are on EST time let me know. Thank you Mike and I look forward to it.

Hi Kyle,

I received your email.

Do you have any elevation drawings?

I'm available tomorrow late morning between 10:30-12 or between 2-3pm

Greetings Mike,

It was a pleasure talking to you this afternoon. As promised, I am using this email to introduce you to our Project Manager Kyle Reavis, who has been working with our Principal on designing a building that will house offices and storage for the various departments that run his islands.

Kyle, Mike Stock is the Senior Account Manager of International Sales of Allied Steel Buildings. www.alliedsteelbuildings.com

When you have a chance please forward your drawings to Mike, with any comments, questions, and requirements you note, so Mike can review and prepare a quote for you.

Mike's Direct contact number is [REDACTED]

Thank you and kind regards, Daphne
