Kenny said if the material was Stone it could've gone over by boat but because the Countertops are Porcelain they could crack or get damaged on the way over.

Kenny said the tops are coming over on a A-Frame trailer so the Barge is desperately needed.

Each piece weighs about 75-150lb. and each piece is about 8-10ft. long

Hi Kyle,

Kenny from "Grand Design" will come out today at 3pm to take the final 3 Measurements needed from CB2, CB3 & CB4 vanity.

Kenny will start the Installation of all Counter tops and Vanity tops on Monday the 21st at 1pm.

He's requesting a late day on Monday 21st from (1pm-6pm) as well as 3 barge runs if needed.

Note: I've pulled Kenny off of a Job on St. John early so he can come out and take the Final measurements needed. Please have a boat captain available today at 3pm to take Kenny over to LSJ? I'll keep you posted if anything changes or if he arrives earlier

Ann R.

Anna,

Can you please check with Kenny to see how many sheets of our material he still has and where he stands with the original counter tops? We may proceed with him again.

Kyle
