Anna,

I will get them removed before his arrival. I can meet him onsite Monday but you are more than welcome to come out also.

Boscoe can you have the barge on standby for 1pm pick up for Kenny Monday?

Hi Kyle,

This project is time sensitive.

If need be. I can go over with Kenny on Monday to complete the project?

Kenny asked if you could please have the carpenters remove the temporary countertops in the requested areas (Cabana's & Flagpole Pool)

Please advise,

Anna,

Please let Kenny know that Monday the 21st is MLK Day and there will be no workers on LSJ or GSJ. Will the 22nd work with him? I will coordinate the barge runs once you speak to him. Thank you!

Hi Kyle,

Kenny from "Grand Design" will come out today at 3pm to take the final 3 Measurements needed from CB2, CB3 & CB4 vanity.

Kenny will start the Installation of all Counter tops and Vanity tops on Monday the 21st at 1pm.

He's requesting a late day on Monday 21st from (1pm-6pm) as well as 3 barge runs if needed.

Note: I've pulled Kenny off of a Job on St. John early so he can come out and take the Final measurements needed. Please have a boat captain available today at 3pm to take Kenny over to LSJ? I'll keep you posted if anything changes or if he arrives earlier

Ann R.

Anna,

Can you please check with Kenny to see how many sheets of our material he still has and where he stands with the original counter tops? We may proceed with him again.
