Good day, Rich,

I need to process payroll for the crew this weekend, including invoicing for Patrick and me, as we are both contractors. As you know, an unforeseen expansion of our responsibilities occurred in the past seven days that extended beyond our traditional roles and even beyond traditional island care taking. Because we understand this is a time of transition, our intention this week is to invoice LSJE, LLC for Saturday and Sunday plus an additional five hours per day for five days: Sunday through Thursday, as these were true additional hours worked. Please confirm that this will be acceptable to you as I do not want our invoices to delay payroll for the rest of the crew.

We understand that all is in transition. However, should Mr. Epstein decide to continue us in these roles, whether interim or long-term, we would like an opportunity to negotiate a pay rate more fitting to our roles.

Thank you,
Stephanie Remington
