Good morning Daphne,

The USPS tracking number for the O-ring Package is 9261290983394420625013. It looks like it is being held at the post office "at customer request" which, in this case would be Eden since it came directly from them. If I need to get in touch with them to release the package let me know.

Dean, Keith, and I will be arriving on Thursday the 24th on American flight 943 and departing on Tuesday January 29th on American 1391.

Regards,

Sean Dobbs
