I have spoken to my lawyer , and would like to make clear that I will file an action against you and your employer should you publish false allegations. That being said , I would ask that you send me any questions you may have and I be given enough time to adequately respond. .

Dear [REDACTED],

I'm investigating Dr. Jim Kim's tenure at the World Bank for Yahoo News. In the course of that investigation, I have been provided correspondences from senior WBG officials to the bank's board ethics committee. In several of those correspondences, you are significantly referenced. Because my goal is to conduct the most thorough investigation possible, I would like to speak to you [REDACTED] so that I have the most accurate version of events possible.

Thank you.

Alexander
