Hey Bossman,

Cece is having panic attacks and loud outburst in the dorm house tonight :(

I think I should send her to live with Jeff?

I called Jeff to see if his daughter can move in with him for a year. I told him, if he didn't agree we can go to Family court and let them decide.

He said yes, she could live with him

Cece doesn't want to live with him but I can't do it anymore with her
