Hi  
Seems like a long time ago but I am not sure if you have ever received our previous messages. Hope you are well and everything of the best for 2019.  
I have been contacted again about JE. The gist is that they are researching a doc on wealth, crimes etc and wanted info on JE  
I asked for more detail. See response below :  
Regards to all  
Hello,

[REDACTED] a producer with a company called Radical Media. We're working on a documentary about wealth and justice in America, and our series will deal in part with Jeffrey Epstein. Your name came up in our research due to your employment by Mr. Epstein. If [REDACTED] be willing to discuss things further, my phone number is 718-916-0510, and my e-mail address is [REDACTED]. I hope to hear from you soon. Thanks!

Kevin Garnett

Thank you for your reply.

We read the Daily Mail articles that you were featured in and we would ideally like you to share your

experience with us as well. From our understanding, you are located in South Africa. We would possibly like to record our interview via Skype - which you could do right from your computer. We are looking to paint a complete portrait of Mr. Epstein and believe that your voices are integral to our story.

Below I have provided some information about our company.

About Radical Media:

Radical Media is an Oscar®, Emmy®, Grammy® and Peabody® Award-winning studio whose work includes the Oscar®-winning documentary, The Fog of War, Oscar®-nominated and Emmy®-winning film, What Happened, Miss Simone? among others. Additionally, the executive producer of this program is Joe Berlinger – a recognized pioneer in the genre of true crime documentaries. He has drawn attention to social justice issues in the U.S. and abroad in landmark films such as: Brother's Keeper, a DGA Award-winner and his trilogy for HBO titled Paradise Lost, about the West Memphis Three, (a group of teenage boys sentenced to death and life imprisonment for crimes they didn't commit). The Paradise Lost series is widely credited with helping to win the release of the wrongfully convicted boys, and won both Emmy and Peabody Awards, and earned Berlinger an Academy Award® nomination.

We hope that you will consider participating. Also, if there is anyone else in St. Thomas or elsewhere you think would be helpful, we welcome names and contact information.
