i had a very nice meeting with Larry today
he seems to be very strong and can be an asset for us...might be good having Renato assist him on LSJ when needed
wants to move family from CT to Jupiter FL and leave wife and 14 year old there
wife has glaucoma...and was told warm weather and humidity will help however he believes she will be blind in 10 years..
he is ok with March 1st start date and would like to give his employer 3-4 weeks notice..
only open items remain compensation (salary, health care, pension)
