Bossman I'm so sorry,

I have to bring her back home :(Cece's behavior at Piney Woods is awful, embarrassing, disappointing and hurtful. She's disrespectful to me in front of people with no care.

Mrs. Crossley (Director of Academics) said that if Sierra doesn't commit to following the rules and stop challenging adults it will not get better. She said that Sierra have to get over her issue with Markeya because they have all the same classes and they live in the same dorm building so they can not be separated.

Cece told Mrs. Crossley that she doesn't feel safe at Piney Woods after her fight and then she told me that I'm not worried about her safety and I'm only worried about my job.

Mr. Gauling (Director of dorms) is suggesting that I remove her from the school to avoid any more issues or unnecessary traveling. He said that Sierra's behavior is causing a big problem at the school and it's becoming uncomfortable for Teachers, Staff & other Students.
