Good morning Carlos.

I found a ferry in the BVI for sale.

Boat is in the yard.

She runs and is way under your budget.

I can always resell her if you decide to upgrade down the road.

They are asking \$160,000.

I feel this is perfect for what you are looking for.

She is a Munson, 46 passenger, 38 feet, built 1986, 495 hp total, with a generator, 3 Volvo engines at 165 ho each.

The tarp is due to a missing windshield/window that need to be replaced.

If interested, I can get more details for you.

Pictures attached.

Let me know what you think.

Cheers,

JC
