Greetings Rich,

Attached please find the Materials list and Labor cost from Peter Elie for the Pebble Beach project.

I recommended, and Mr. Elie agreed that Mr. Elie call in the orders himself. That way if substitutions or changes are needed or recommended by the vendor, he can address them immediately.

I will place Mr. Elie on the MSI account if you are in agreement with my recommendation. If he needs to make a purchase from Home Depot, he can leave the items at the Pro Desk, and I can call in payment. The same with Heavy Materials, he can call in the order, I will make the payment. That should insure there are no errors with an order.

Mr. Elie received a Contractor's package from me today so that is also taken care of. I will scan and send to you when I receive it back.
