[REDACTED], hello,

Thank you for your visit earlier this week—and for the cookies!

I sat this morning with our head of HR at Tapestry and asked her to think through potential internal roles that might make sense for you. Once I send her a copy of your CV, she will then reach out to you to organize a visit. I was going to send her your current CV, but I do believe your two year gap after graduation will draw attention. Would you please consider revising your CV to describe your role during that two year period (you do not need to identify the businessman with whom you worked)? Would you then send me the updated CV for me to send to Sarah Dunn at Tapestry?

Best regards,

Jide
