Just received this text from [REDACTED]

[REDACTED] is a passionate young woman when it comes to fashion. She has worked hard for half a year on her project all by herself – creating a brand without asking for any help.

[REDACTED] has tutored children to earn enough money in order to follow her passion. Moreover, [REDACTED] is a social person and aspires to visit other parts of the world.

Living in Los Angeles would bring her another experience of culture, people and language. [REDACTED] is extrovert however very sensible.

If one word should be given to describe [REDACTED] it would be : determination.

[REDACTED] love, passion for life and trust on people will help her to realize her future career and also grow up as a remarkable woman
