Noam and Valeria - here is the latest documents. Perhaps you should review them before we chat. I think you've looked at the Settlement Agreement but I've also attached the Releases document. Let me know when you've reviewed this material and we'll set up a call.

Subject: RE: settlement agreement

Attached is a redline of Jillian's proposed Settlement Agreement and a draft Releases document for your review.

By email to you dated January 15, 2019, I forwarded to you the name of Bob Holdway of Fiduciary Trust to act as successor trustee but have not heard back from you. Please confirm that he is acceptable.

Per the "game plan" below that we previously agreed-to, there are still a number of documents which you need to produce. Jillian, you need to draft a motion to approve the settlement and George, you have a host of mostly transactional documents to draft. Can we get those loose ends cleaned up so we can send notice out to

the interested parties before the March 13 hearing with the hope that we can obtain court approval that day and complete the settlement. The parties entered into the settlement agreement almost a month ago.

Thanks.

6. Notice to daughters - JH thinks Harry has spoken with them and that they can await the formal documentation when they assent to the settlement.

9. Resignation of trustees - GB.
10. Assent of children and grandchildren to settlement - GB.

12. Documentation of distribution of Note to NC - VP.
13. Stipulations of dismissal - JH.

Please let me know if any changes are necessary. Thank you for your cooperation.
