Just got this text from Matt the Heli broker: he said we could probably get our old heli for \$2.9M,, see Matt's message below:

Larry,

Ok I can probably do that. It's going up to the ceo. They are deciding if they even want to part with both. I think they will definitely sell the one at 2.9. They may want to keep N152AE until the summer or so. And if they do want to sell both we just got a 2.5m offer on N152AE so we may pursue that one. This text is just bw me and u let me get the formal response first
