I told Matt the Broker that you would offer \$3.1M for the Heli But \$200k commish must come to me, so the purchase price would be \$2.9M.

He first said, he was willing to make this work,, then he became hesitant to present this to CVS being a public company, he thought CVS May think this is a shady procedure, and I was taking advantage of the situation ,, I told Matt I had your direction,,Matt also mentioned that if CVS hears your willing to pay 3.1, why isn't CVS getting that amount,

Matt suggested that we pay \$3.1 to escrow, and let escrow disperse the \$200k commish but this only has the contract purchase price at \$2.9M.

Matt is will to present to CVS and his partner at Guardian wanted us aware of what CVS light think,

I told him not to mention anything until I speak to you, I certainly didn't want to mess up the deal myself.

Other idea, maybe run the purchase though Gary's company??

Not sure how to proceed?

I will view the Helicopter in persons at Hartford CT tomorrow at 10am with Matt the broker, I think it's best that I View the heli in person, not Pete,

Thx
Larry
