Ref S76 Parts inventory:

I spoke to Matt Walter, the sellers broker earlier today, I requested the spare Parts inventory, Matt informed that CVS does not want to give up any of their parts until both helicopters sells, I told him I still want the inventory list,

This way we can include The parts inventory on a purchase agreement, we can stipulate that we will take possession of the parts after their second helicopter sells,

*** I'm told they have Helicopter Jacks, a spare starter generator, and a possible AC power cart, among other items I'd like to get.

Matt said he provide this list later this week, their chief of Maintence is out of town.

If you think this is a good approach?

Thx

Larry
