Jeffrey,

I just spoke to Anthony. He said that you told him that I lost \$10MM. Since inception net of fees the account is up \$1.46MM as of Jan 31<sup>st</sup>. Feel free to add back the opportunity cost of selling Foundation Medicine which gets it back to +- flat to down \$500K-\$1MM.

I have been nothing but fair, reasonable and respectful with respect to all of our dealings. It is bad enough that I left JPM based on our agreement and you walked away from our deal leaving me in a tough financial situation. Please do not make up numbers and tarnish my reputation.

Paul
