I spoke to Geordan briefly and told him the deal you offered, he sounded good, and he would speak to his father, and get back to me,
He was in meetings and was supposed to call me earlier today, he even mentioned coming by and looking at the plane later today, but no word yet,,
I usually hear from him around 9pm ish,,
I'll text him now and ask for their decision ,, I told him you request a decision/commitment today,

Counter from CVS attached at \$3.3M
Matt the brokers said, they would most likely accept \$3.1M in his opinion,
Typical broker, he doesn't care how much he gets offered, just wants the deal to close and get his commish,

Larry – I want to say thank you again very much for your offer on our S76. After discussion with CVS's flight department and external counsel, I have attached a counter offer. There is a redline version in PDF so you can view from your mobile device. There is also a clean Word version.

I remain available to assist with any further questions you may have and I look forward to continuing the discussion.

Best Regards and have a good evening.
