Mr. Epstein,

Thank you for your correspondence. However, there must have been a misunderstanding with registration personnel. There are no provisions which permit registration via email. Any registrations or updates need to be completed in person at registration or when appropriate at DMV. The only exceptions would include reporting changes in phone numbers, institutes of higher education, employment, internet identifiers, or email addresses via the FDLE on line system. In addition, your email states that you are departing on Wednesday February 11th. Wednesday is the 13th. Please contact me if you have any questions.
