Jeffrey,

Just a recap on GIV maintenance items coming up:
CPDLC worse case is \$400k Geordan was excited about 50% participation on our part.

Due list man hours quoted by Gulfstream CMP Report
36month items 231 manhours \$148.00 per hour = \$34k
Additional over and above man hours 185 Manhours =\$27k

Also, the GIV will require ADSB-Out Version 2 by 2020, I have this quote from Rusty at Gulfstream \$24k.,
(We have ADSB-Out Version 1 already installed in the GIV.

I did a 300 hour / 150 Landing Maintenance projection on our Gulfstream CMP Tracking , which includes the
36month items ,,it came up with 690.5 manhours, = \$102,120.00 this would clean up the aircraft for a year,

Also note, Pete informs of a 10,000 hour inspection on the GIV which is 198 hours away,, we have a total time
of 9,806 airframe hours, the 300 hour projection includes the 10,000 items that will become due as well

Thx
Larry

Jeffrey

Geordan is going to call me tomorrow afternoon, here is the text message I Received from Danielle:
"Would like to talk a little more about the plane and some further questions if at all possible"

Should I mention the 36month items that are due April 1st, As a prebuy option? [REDACTED] pretty sure Geordan is
going to ask about upcoming maintenance, if they hire outside source to report the due list items, the
36month items will come up.

Pls advise on how to handle the call? Or should I recommend, "Rich" speaking to Geordan again?
