Hey [REDACTED],

Sounds good. We've been investigating what charities Jeffrey Epstein has been contributing to. The Daily Beast is planning to publish a story about your connection to Mr. Epstein. [REDACTED]

Financial records reviewed by The Daily Beast indicate Mr. Epstein was a donor to your charity. We also saw that Mr. Epstein's attorney, Darren Indyke, was representing We Talks for a trademark application.

When we looked into We Talks' website registration, it said it was registered to [301 E. 66th Street](#), which is a known Epstein address.

Besides donating to Education Advance, has Mr. Epstein provided other funding to your other projects?

We would like to give you an opportunity to comment. I'm not sure if you're aware, but Mr. Epstein has been in the news over allegations that he sexually abused underage girls and young women.

Please let me know if you can hop on the phone, or provide a statement via email, before Monday morning.

We're also wondering if you have connections to Mr. Epstein, and whether he helped you move to the U.S., and if you ever lived with him?

Thanks so much!

Kate

Hi Kate,

Thank you for your offer to help - I would love to chat further later on.

Regarding the donation, frankly we were a bit concerned (my boyfriend Pen and I manage EA together) but then we read that Harvard University and Arizona State had taken his donations. Do you think it was wrong?

Hi [REDACTED],

Thanks so much for getting back to me. I'd love to collaborate in the future and help out in any way I can. Unfortunately, my editors are more interested in writing about Education Advance's funding source.

We know you're an incredible advocate for women entrepreneurs, so we're wondering if you believe it's a conflict of interest that the nonprofit's funding comes from Jeffrey Epstein, according to public records.

Would you be able to comment on why "J Epstein Virgin Islands" donated \$50,000 in 2017 to Education Advance?

Please let me know if you'd like to chat on the phone about this, or if you prefer to answer questions by email. My cellphone is [REDACTED]

Thank you so much for your time,

Kate

Hi Kate,

So lovely to hear from you and thank you for the follow up:)

It has been a pretty tough week for me as we have decided to focus on building something completely different in the next few months instead of hosting events. Will you be interested in chatting later on? Even just hearing your opinion (and ideas) would be so valuable. Eventually, I am looking to collaborate with someone with content strategy experience.

Meanwhile, is there anything I can be helpful to you with?

Hope you are staying warm :)

Hi Kate,

So lovely meeting you! So sorry for the delay.

I am a bit slammed today. May I get back to you later this week? Did you have a chance to connect with other honorees for interviews?

Have a wonderful day. Thank you!

Hi [REDACTED],

It was so great meeting you Friday at the gala. I'd love to learn more about We Talks and your other projects. Would you have some time to grab coffee on Monday? I was thinking Bluestone coffee at 55 Greenwich Ave. around 10 or 10:30 a.m. if that works for you?

Thanks so much and looking forward,

Kate
