Dear David, Oliver,  
Please find attached my marked copy of the Draft valuation of the inventory in the Bank and David's apt .  
I apologize the iphone images do not reproduce well, especially on the items shown in detail that are extracted from the larger group photos.  
The bag or drawer numbers are listed in ( ) with each entry so we could locate the objects more easily.

Please note that numbers 4, 15, 46-48, are all pieces I have identified as shown in the MMA 1985 exhibition, that also have earlier provenance listed, and which I would love to add to the offering for the May 13th auction.  
I would need to collect those next week if possible.

Overall, I have given fairly conservative values for these large groups and many pieces in general. I am sure we can sort out what other pieces from the other larger two lots could be sold provided other documents, photos, exhibitions etc, can be sorted out.

Thank you for looking this over and please let me know any questions as needed.

My best,  
Stacy

Dear David,  
APologies, I made some corrections in the massive bank lists.  
There are pieces I am singling out of the bags which could be sold in the auction and I want those to be separated.  
The images will be a bit blurred given they are details from a group photo, but I will be able to locate them if you want to include them.  
I should have the revised draft tomorrow.

My best,  
Stacy
