Attached is the Prebuy quote from AAG which covers all inspection and hourly items come due soon on S76. I need to speak to Chuck the Maintenance Director at Aetna to confirm exact due dates of these inspections

The float bottles alone are Parts and should considered Sellers item, cost \$57,273.32

Labor for inspections \$94,400

Parts \$64,755.29

Thx

Larry

Larry – all of these items cannot be done as the pre-buy. It is far far far too large of an inspection scope for this transaction. This was a low priced helicopter that was supposed to be a quick deal. A 650 hour inspection that costs \$160k does not represent that. This is not doable. Call me when you land so we can discuss.

Thank you,

Matt Walter, CPA
