Below is an email I sent to Thomas the GIV Buyer,, he is so confident that he will proceed with the purchase, he's willing to give \$100K nonrefundable money, to accomplish a 4 hour demo flight mission to his investors,, He feels if he does this demo flight, he would be willing and able to close, (before the maintenance) CPDLC / 36month) inspection is completed,

otherwise he would most likely have to close after maintenance is completed,

If you approve I'll have Darren draft a contract ref to this demo flight, see email below

Do you approve?

Thx

Email I sent to Thomas:

Good morning Thomas,

I'm meeting with Mr. Epstein this afternoon, and I want to present the demo flight to him, just to recap our thoughts:

Are you suggesting that you put \$100K deposit, nonrefundable that will be applied to the purchase price of the aircraft if you proceed with Purchase.

Which will include a demo flight of approximately 4hours in duration, which will include ferry time from West Palm Beach to pick up your passengers, to a destination TBD and back to Palm Beach for the aircraft?

Is this the way I should present?

Pls Advise?

Thx

Larry

Thomas response:

Yes, that's the idea which would allow me to get a quick closing. not wait on bank funding etc. I am working on trip details / ideas today with our group.
